 **Pedigree!**

His grandsires: EXT - the original curve-bender,
noted for his functional moderate sized productive daughters;
& Musicks Traveler 609 - milk, marbling & ribeye!

Every single Angus animal in this bull's pedigree above has PATHFINDER status & are curve benders for multiple traits. The Piedmontese heritage is strong, with JT Santa Cruz and MP Guinevere being Nat'l Show Champions & Gold Trophy & dams of Hall of Fame females. MRP 94T Revolution is 50% Piedmontese - 50% Angus. He is homozygous for the Myostatin gene, he is solid true black and he is homozygous POLLED.

 **Focus on the traits you need**
