***We could write a book...  
to says our Thanks!***

Congratulations go to Hiram & Charlene Lambert of Nebraska on their purchase of our 2009 National Res. Grand Champion Fullblood Bull - Shasta Forster 10U and

Shasta Maureo, the 2009 National Junior Champion Naturalean Bull. We are confident that these bulls will "do their job" in Nebraska for the Lamberts, in their performance oriented program - as Shasta Forster was gaining 4+ lbs/day and posted an impressive 1240 lb weight at Denver, under 12 months old.

Our Thanks to Judge Leachman for awarding LVC Ranger the over-all National Grand Champion FB Bull title, and his son Shasta Forster with the Res. Grand Champion title.

***Ranger can do it for YOU, too.***

***Semen is available!***

Last, but not least, we Thank our sons, Kory and Tyler, for their hard work and help in preparing and presenting the Silva Piedmontese show string at the NWSS in Denver 2009. Good job, boys!

Sincerely, Ken & Toni Silva
