The 2010 Ohio Beef Expo ran from March 19-21, 2010 and saw record breaking crowds, with 30,000+ people in attendance.

The Piedmontese Judge, Gene Steiner, had his work cut out for him with a great group of Fullblood and Naturalean Piedmontese on parade.

The Piedmontese 'Commercial Bull Project' Meeting rounded out the events in Ohio.

We congratulate all of the exhibitors and thank you for bringing out such a fine selection of Piedmontese seedstock.
