

North American Piedmontese Association (NAPA)

Sire Enrollment Form – Semen Certificate Program

To be completed by the registered owner of the bull, in ink.

Owner Name: (print) _____

Owner Signature: _____ Date: _____

Address: _____

Phone: _____ Email: _____

Sire To Be Enrolled:

Name: _____

NAPA Reg. # _____

Semen Certificate Fee (to be charged by bull owner to semen purchaser): \$ _____

Enrollment Fees: \$100. US per sire (one time fee for the lifetime of the bull, unless enrollment is cancelled in writing by the owner of the bull.)

Make fees payable to NAPA and mail to:

NAPA, PO Box 1915, Billings, MT. USA 59103

A list will be maintained on the NAPA website stating all bulls enrolled in the Semen Certificate Program, the date they were enrolled, and the \$ Value of their Certificates.

Changes to the Semen Certificate Fees must be made in writing to NAPA, by the owner of the bull, and will become effective in the next calendar year.

Semen Certificates will be available on the NAPA website. **It will be the bull owner's responsibility to print off the Certificate, sign and date it, and provide it to the semen purchaser – upon being paid the Certificate fee.**

The semen purchaser must provide the signed Semen Certificate to the Registry Office at the time he applies for registration or recordation of any calf sired by any enrolled bull.

Note: in the event that the enrolled bull is sold, it will be necessary to document the ownership of any semen on storage, and designate if the Semen rights go with the bull in their entirety or not.

If you already have sold semen on your bull *without* indicating that the bull may be enrolled in a Certificate Program, and you wish to enroll him now, we strongly recommend that you contact your previous semen buyers to make arrangements with them for the registry/recordation of offspring from that semen which they may have on inventory. It is recommended that bull owners provide a signed Certificate at no cost to those semen buyers who pre-date enrollment of the bull. Simply find out how many units of semen they have in inventory, and provide Certificates based on an 70-80% conception rate.

If you have sold semen with instruction to the buyer that the bull may be enrolled in a Certificate Program, then you should contact your semen buyers to inform them that the bull is being enrolled and confirm the Certificate fee to the buyer.

Bull Owners: Please keep a copy of this completed form for your records.
